Special Meeting for Friends of Cambridge Library – September 24

Cambridge, WI, September 13, 2007: The Friends of the Cambridge Community Library Board of Directors will be holding a special meeting on Monday, September 24 at 7:00 pm in the Senior Room at the Amundson Center. The meeting is to discuss the future of the Furrier Building site. The recommendations from this meeting will be forwarded to the Library Board to aid in their planning of the new Cambridge Library. All members and interested parties are encouraged to attend.

The items up for discussion are:

1. Do we still want to pursue building at the Furrier Building site or accept the alternative plan of adding on to the Amundson Center?
2. If we choose to not build at the Furrier Building site, do we want to place the land for sale on the open market or allow the Village to gain ownership for civic use?
